

## About Us

The Valparaiso Community Library has over 41,000 items in our collection which includes an assortment of books, e-books, audiobooks, digital audiobooks, music CDs, DVDs, Blu-rays, and more. We also offer 10 public computers for internet access, emailing, gaming, social networking, and more. We offer Microsoft Office™ software which includes Word, Excel, and PowerPoint for your office needs. In addition, our library offers free Wi-Fi during normal business hours for most wireless devices. Please note, the [Internet Use Policy](#) is applicable to library computers and the wireless network.

Library cards are available to patrons of all ages. Please see our policies regarding how to get a library card. We also provide a card catalog computer to search for material in our library in addition to 5 other Okaloosa County public libraries.
